Have you ever had negative, anxious thoughts that seem to hound you?

You know, those thoughts that are on your mind first thing in the morning, last thing before bed, and seemingly every other moment in between.

You just cannot seem to escape them. Before you know it, these negative thoughts come out in your attitudes, feelings, and actions.

God's Word tells us to take these thoughts captive and to renew our minds.

This idea seems good in theory, but much more difficult in practice!

How do we actually do this?

At our Ladies Retreat,

**"BEE MINDFUL!
CAPTURING THOUGHTS &
RENEWING MINDS FOR CHRIST,"**

we are going to tackle this very question by digging into God's Word to see what practical principles we will uncover to help us live victorious for Christ in our thoughts and minds.

AMY RENBERG will be our Teacher for our Bible Sessions. She is privileged to be a pastor's wife to "The Preacher," Rob, for the last 37 years!

She has enjoyed leading Ladies Bible Studies in all of the churches

God has called them to minister!

She is a mother of 4, mother-in-law to 3, and Gigi to 8!
