

Ministry Protection Training

Nursery/Anchor Kids/Awana/All Youth

Wed. August 30th, 6:30 - 7:30 p.m.

We have an awesome growing team of youth and children’s ministry volunteer workers serving here at APBC. And we love our kids and their safety is our top priority. As we have done in the past, and is now again required by our church insurance policy (as well as good practice), we must have **EVERYONE** who is or may be involved in any youth and children’s ministry capacity either take for the first time or retake our Protection Seminar. This Ministry Protection workshop is called **“Protecting Children, Protecting Yourself in Ministry.”** It is our goal to have 100% of our volunteers go through this one hour seminar, either for the first time or to review the material as some important things have changed.

Please RSVP by filling out the form below, tear off and bringing it to the Connection Point or giving it to one of the pastors, or you can RSVP by calling Debbie or our Pastors at the church office at 231-780-4765. You may also email to James@AnchorPoint.love or Office@AnchorPoint.love.

REMEMBER: This Protection Training is a requirement for any and all children’s and youth ministry workers going forward for the upcoming year. But you can attend even if you are not serving right now and just want to see how we care for and protect our children and youth and those who work with them. If you cannot make the upcoming workshop on August 30, we will have a follow-up plan before everything kicks off in late September! But please let us know if you can, or cannot attend the **Wednesday , August 30th at 6:30 p.m.** workshop.
