THE STAR OF BETHLEHEM

Unlock the Mystery of the World's Most Famous Star
"We saw His star in the east and we have come to worship Him." -
Matthew 2:2

Scholars debate whether the Star of Bethlehem is a legend created by the early church or a miracle that marked the advent of Christ. Is it possible that the star was a real, astronomical event? From producer Stephen McEveety comes an amazing documentary of the Star of Bethlehem presented by Rick Larson. We will watch and discuss the biblical and historical clues revealing the incredible significance of this celestial event as well as the vastness of God's creativity. Join us in the Captain's Quarters after the service **TODAY** for the 1st half of the DVD and discussion. Then on **December 19**, we will view and discuss the 2nd half.
